

# Brighton & Hove Albion Supporters' Club

Founded 1912. Re-formed 1922, 1948 and 1982.

## Membership Application Form 2016/17\*

Brighton & Hove Albion Supporters' Club is the largest organised Albion supporters' group, and is independent of the football club. Membership will suit those who wish to help the Albion in a practical way. It will also benefit coach travellers and remotely-based fans wishing to stay in touch.

The Supporters' Club liaises with the Albion, co-operates with other organisations, and is an active member of the national Football Supporters' Federation. It runs transport to all away league and cup matches, promotes good behaviour, and liaises with police to ensure a positive experience.

The Supporters' Club is run openly by a democratically elected committee. The annual meeting allows members to quiz Albion directors and management directly. Members receive a monthly newsletter. Members are asked to observe the rules of the Supporters' Club which are provided to all new members; additional copies are available.

You may subscribe more than one member in the same household using this form. **If so, we will send publications only to the first named person.** If you wish to receive publications separately, please complete additional forms.

Please print your details clearly in ink.
